

Electronic Journal of Plant Breeding

Author Declaration Form

Authorship: The Editors of *Electronic Journal of Plant Breeding* formulated by the Executive members regarding criteria for authorship.

Accordingly, each person listed as an author or co-author for a submitted manuscript (does not include Review Articles) must meet *all three* criteria. An author or co-author shall have:

1. Conceived, planned, and performed the work leading to the manuscript, or interpreted the evidence presented, or both;
2. Written the manuscript or reviewed successive versions and shared in their revisions;
3. The Research work was carried out by own including the co workers
4. Approved the final version.

Meeting these criteria should provide each author with sufficient knowledge of and participation in the work that he or she can accept public responsibility for the report.

Certification: This Certification Form should be signed and sub-mitted with the manuscript. The senior or corresponding author is requested to certify that all listed authors qualify for author-ship according to the above three criteria. The author(s) should certify that except in the form of an abstract or as part of a published lecture, review, thesis, or dissertation (appropriately cited), no part of the work described has been published before and that the work is not under consideration for publication elsewhere.

The author(s) should also certify that the manuscript, or its parts, will not be published elsewhere subsequently in any language without the consent of the copyright holders.

I/we also agree to the authorship of the article in the following sequence:

Author's name	Signature	Email
1.-----	-----	-----
2.-----	-----	-----
3.-----	-----	-----
4.-----	-----	-----

Corresponding author address and email

Date :

Name, signature and seal of
Head of department/institute

NOTE:

- All authors are required to sign this form. Pasting of scan signature is not allowed.
- We do not allow any change in authorship after submission. We cannot allow any addition, deletion or change in sequence of author name.
- If the authorship is contested before publication the manuscript will be either returned or kept in abeyance till the issue is resolved.
- This form may be photocopied and used.

AUTHORSHIP AND RESPONSIBILITIES

- Anyone who makes significant intellectual contribution must be given authorship.
- Every author must be involved in planning, implementation and analysis of the research study and its presentation in the form of the manuscript. In case some clarification is sought, they should be able to reply to the queries.
- Authors should be ready to take public responsibility for the content of the paper. All the authors in a manuscript are responsible for the technical information communicated. For this reason it is necessary that all authors must read and approve the final version of the manuscript before signing the consent and declaration form.
