

ARTICLE CERTIFICATE

Article Entitled: *Revealing genetic variation and clustering pattern in upland rice using morpho-economic traits,*

Authors (names) *Swapan K. Tripathy, B.R. Mohapatra, A.K. Parida, K. Pradhan, N. Senapati, G.B. Dash, D. Lenka, P.K. Nayak and D.R. Mishra.*

It is certified that:

- The article has been seen by all the authors (signatures given below), who are satisfied with its form and content.
- The sequence of names of authors in the by-line is as per their relative contribution to this experiment, giving due credit to all scientists who made notable contribution to it. I/We fully understand that inclusion of any other co-authors or exclusion of any co-authors is not possible once the article has been submitted to the journal.
- The corresponding author takes full responsibility for obtaining the signatures of author/co-authors and authenticity for this certificate.
- The address of the organization where the research was conducted is given.
- The article is exclusive for this journal, and the results reported here have not been sent (and will not be sent during its consideration by this journal) for publication in any other journal.
- I/we agree to abide by the objective comments of referees and do agree to modify the article into a short note as per the recommendation, for publication in the Electronic Journal of Plant Breeding.
- If published in Electronic Journal of Plant Breeding, the copyright of this article would vest with the Indian Society of Plant Breeders, who will have the right to enter into any agreement with any organization in India or abroad engaged in reprography, photocopying, storage and dissemination of information contained in it, and neither we nor our legal heirs will have any claims on royalty.
